

Have fun in 1791

As an apprentice you get to pick a 18th century name, dress in the 1700s style clothes, and use your creativity to create a persona if you wish. You'll make new friends, learn new life skills and create great memories to share!

More about your week

Each week of camp meets five days (Mon.-Fri.) from 9 AM-5 PM. Apprentices should bring a lunch each day. Clothing will be loaned to the apprentices for the week.

The cost for this enrichment program is \$150 for members of Rocky Mount Historical Association, \$175 for non-members (*registration fee includes a Family Membership; therefore each additional child registration is \$150*).

Making memories to last a lifetime at Rocky Mount

Do something different

What was it like to be a kid in the 18th century backcountry? Would you be a scholar, farmer, or an apprentice to a craftsperson? Would summer be a time of freedom from school and work or "same-old same-old"? **Spend five days at the homestead of the Cobb family at Rocky Mount and experience frontier life yourself!**

Cherokee Life

The theme for the Summer Apprentice Day Camp this year is "**Cherokee Life**" You'll experience the daily life of the Cherokee in the 18th century with crafts like:

- ◆ Soapstone carving
- ◆ Birch and ball game
- ◆ Cook—prepare a meal over a fire

And... you will play the games and sports of the time, explore the outdoor historic area., as well as create art and crafts. You'll cook the foods they cooked, garden using historical techniques, and hear the stories of the frontier people.
